

# ALL ARE WELCOME! OPEN HOUSE

Stop in to see Yuma's newest creative experience!

**August 29, 2017 5:30-7:30PM**

**Weld Like A Girl** is an empowerment project for girls and women, using welding and creativity to boost self-esteem and whole-person wellness. We provide a safe space to explore the mysterious world of welding and cutting hot metal, understanding that this world may be completely foreign and many will need some guidance navigating along the way.

**Note:** Gentlemen may participate in specific workshops (i.e. couples workshops, father/daughter classes and other identified events).
